Educator's Reports: Complete Written Reports are attached.

Jill presented in detail a program that has had tremendous success for families in need as well as teaching vital life skills to our 4-H members – The Kewaunee County Toys for Tots campaign. Without this effort, spearheaded by Sheriff Matt Joski and backed up by our own 4-H groups, about 200 children would not have had presents under the tree. Unlike other youth programs where students are asked to set up chairs, 4-H got involved in the "Tots" program from the start. 4-H members plan, organize, and solve problems on an equal level with adults. This project not only accomplishes an important community service, but provides learning leadership and life skills participants will use their entire lives.

Committee members had an opportunity to ask questions about other educators' reports.
