### **What is Open Enrollment?**

- It is a period of time when employees may make changes to their elected benefit plan.
- The Open Enrollment period usually occurs once per year.
- Open Enrollment is the time when you can add or waive coverage for yourself or your eligible dependents without a qualifying event.
- This election will be effective January 1, 2017 through December 31, 2017.
- **Enrollment Election forms must be signed and returned regardless of participation.**
  - **Please submit completed forms to the County Administrator's Office by Friday, October 21, 2016.**

### **What is a Qualifying Event?**

A Qualifying Event allows you to add dependents to your plan outside of open enrollment. A qualifying event allows special enrollment for you to apply for coverage within 30 days of the event. If you do not apply for coverage within the 30 days, you must wait until the next open enrollment period, or until one of the following qualifying events occurs:

- Change in marital status (Marriage or Divorce)
- Adding a newborn natural child, adoption
- Changing from Single to Family coverage or adding a dependent due to a court order
- Loss of other insurance (spouse)

### **Am I Eligible for Insurance?**

- You are eligible for the County's medical and dental insurance plans if you work an average of 30 or more hours per week.
- After a Retiree reaches the limiting age (age 65), the spouse and dependents are no longer eligible for coverage under the County's plan. Eligibility would continue for a maximum of 36 months, with COBRA to run concurrently.

COBRA PARTICIPANTS AND THEIR HOUSEHOLDS  
-ANNUAL NOTICE-**

**Important Notice From Kewaunee County About  
Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Kewaunee County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Kewaunee County has determined that the prescription drug coverage offered by Kewaunee County Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?** If you decide to join a Medicare drug plan, your current Kewaunee County coverage will be affected. Your current coverage with Kewaunee County is as follows *effective January 1, 2017*:

Level 1: \$10 copay  
\$200 deductible (per person) for Level 2 and Level 3 (combined), then Level 2: \$35 copay / Level 3: \$50 copay

If you do decide to join a Medicare drug plan and drop your current Kewaunee County coverage, be aware that you and your dependents will not be able to get this coverage back.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Kewaunee County and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
