## **Winter Park to Open Snow Tubing Hill Before the Holidays**

KEWAUNEE, WI – It's time to welcome visitors to Winter Park, N3751 Ransom Moore Lane, Kewaunee for the 2018-19 season for a test run of its five-lane snow tubing hill.

As an early Christmas gift to those eager to experience the fun that awaits, Winter Park is opening to the public for tubing on Saturday, December 22<sup>nd</sup> – Sunday, December 23<sup>rd</sup> from 11AM-4PM and tentatively on Thursday, December 27<sup>th</sup> – Friday, December 28<sup>th</sup> at that same time depending on the weather. Regular season ticket prices will apply.

The ski/snowboarding hill will be temporarily closed until temperatures drop enough so more snow can be made and the runs can be groomed.

As of right now, regular season weekend only hours for the public are scheduled to begin Saturday, December 29<sup>th</sup> – Sunday, December 30<sup>th</sup>.

“It's all hands on deck to get this park ready each season and we do our best to try to open as early as we can for visitors, unfortunately this year the mixed batch of weather from Mother Nature is creating a bit of a setback for skiers and snowboarders,” says Dave Myers, Kewaunee County Promotion & Recreation Director. “We hope to have the park up and running in its entirety soon, so stay tuned for that announcement.”

The Kewaunee County Promotions & Recreation Department asks that visitors check the Winter Park – Kewaunee County Facebook page and/or call the 24/7 Promotions & Recreation hotline (920) 388-7199 before coming to Winter Park to make sure that conditions are good enough for the park to be open.

Also, Winter Park Association is looking for weekend volunteers for the upcoming season to help with ski and snowboarding lessons as well as selling concessions! If you're interested in lending a hand or know a high schooler who might need to build up their community service hours for graduation, please contact Barry Nelson at (920) 388-3738.
