FOR IMMEDIATE RELEASE

July 10, 2019

Summer Construction in Full Swing for Kewaunee County

KEWAUNEE, WI – The Kewaunee County Highway Department is giving residents and visitors a heads up on summer construction that will limit access to CTH E as well as the Ahnapee State Trail.

Next week, work will begin on replacing the pavement of CTH E from Miller Street to the bridge over the Ahnapee State Trail.

Then, starting the last week of July, CTH E will be closed from Miller Street to CTH FF to replace the bridge over Ahnapee State Trail. Drivers will be detoured onto STH 42 and CTH FF. Only local residents will have access to CTH E during construction.

Also, the Ahnapee State Trail will be closed in the construction zone. The detour for trail users will be CTH C to 5th Street to Miller Street. Detour signage will be posted.

In addition, the City of Kewaunee will be working on sewer main, water main, storm sewer, sidewalk, curb and gutter replacement on River Road from Miller Street to First Street beginning the end of August. River Road will be open to local residents only. Traffic will be detoured onto Miller Street.

These projects are expected to be completed by mid-October, weather permitting.
