Holiday Donation Drive Enters Seventh Year of Giving Back to the Community

KEWAUNEE, WI – Be a part of something special this holiday season and donate a healthy food item or personal hygiene product to the “Giving for Sara Food & Hygiene Drive”, organized by the Kewaunee County Health & Human Services Departments.

Help stock the shelves at area food pantries as well as help community members who are in need and served by the Kewaunee County Health & Human Services Departments.

“This is about putting meal on the table and providing essentials for a local family who might be having a tough time,” says Rachel Bauer, WIC, Kewaunee County Public Health Department. “The smallest donation can sometimes make the largest difference.”

The suggested list of non-perishable items to donate includes: canned chicken or tuna (packed in water), canned fruit or fruit cups (packed in water or fruit juice), healthy cereal or granola bars as well as shampoo, conditioner, diapers, baby wipes, deodorant and soap. Please check the “Best Used By:” dates, expired items cannot be accepted.

Monetary donations for the “Giving for Sara Food & Hygiene Drive” can also be made. Checks should be made payable to *Kewaunee County*. Receipts will be available. Donations will be accepted through December 31, 2019 at the Kewaunee County Health & Human Services Building, 810 Lincoln Street, Kewaunee, WI 54216.

This effort is in memory of Sara Malay who unexpectedly passed away in October 2013, while serving as the Aging Services Unit Director for Kewaunee County.

Questions? Contact Kewaunee County Public Health Department at (920) 388-7160.
