## **FOR IMMEDIATE RELEASE**

**December 23, 2019**

### **Winter Park is Ready to Welcome Visitors for the Season**

KEWAUNEE, WI – The snow has fallen, the hills have been groomed and Winter Park in Kewaunee County is ready to open to visitors for the 2019-2020 season.

The fun will begin with a test run of the snow tubing hill on Thursday, December 26<sup>th</sup> and Friday, December 27<sup>th</sup> from 11AM-4PM, weather dependent. The ski/snowboarding hills are scheduled to open with regular season hours for the entire park beginning Saturday, December 28<sup>th</sup> and Sunday, December 29<sup>th</sup>. A reminder that regular season hours for the public are weekends only.

“Winter Park takes weeks of preparation. We always watch the weather very closely each November but it’s usually December before we can begin making snow for tubing, skiing and snowboarding,” says Dave Myers, Kewaunee County Promotion & Recreation Director. “We are as eager as everyone else to open for the season and we greatly appreciate the patience of the public while we work on getting everything ready.”

The Kewaunee County Promotions & Recreation Department asks that visitors check the Winter Park – Kewaunee County Facebook page and/or call the 24/7 Promotions & Recreation hotline (920) 388-7199 before coming to Winter Park to make sure that conditions are good for the park to open, including this week with rain in the forecast.

Also, Winter Park is still hiring for park assistants for the snow tubing and ski/snowboarding hills. The job description and applications can be found online at [www.kewauneeeco.org](http://www.kewauneeeco.org) under the blue ‘Employment’ tab.

And, the Winter Park Association is looking for weekend volunteers for the upcoming season to help with ski and snowboarding lessons as well as selling concessions! If you're interested in lending a hand or know a high schooler who might need to build up their community service hours for graduation, please contact Barry Nelson at (920) 388-3738.
